FOR IMMEDIATE RELEASE

FRESH WAREHOUSING & FULFILLMENT INTRODUCES NEW TRUCKING DIVISION

St Louis, Missouri: Fresh Warehousing & Fulfillment today announced the addition of Fresh Trucking to their family of companies.

“Fresh Trucking will join Fresh Warehousing and Fresh Logistics to offer local shuttle programs and local drayage to our warehousing and logistics customers” said John Cusumano Jr., President of Fresh Warehousing. “Our No Hassle Shuttle Program” creates a seamless road between our customers’ dock door and ours. We are excited to announce that we can expand this program to include [Midwest Intermodal](#), [St. Louis Drayage](#) and local shuttle services”.

Fresh Warehousing & Fulfillment is a privately held [haz mat](#), contract warehouse and fulfillment services company. The [family-owned firm](#), consisting of three divisions, Fresh Warehousing & Fulfillment, Fresh Logistics and now Fresh

~ MORE ~

Trucking, works with customers to create a cost-effective, strategic logistics and warehousing program. Fresh Warehousing analyzes and creates solutions matched to their customers' goals, and backs it up with ISO based measures to ensure continual satisfaction.

Large enough to get the job done, with over 1.5M sq.ft., and small enough to care, Fresh Warehousing's [warehousing](#) & [trucking](#) goals will be continually maintained by caring, family oriented staff.
